Thank you for coming!

Congratulations, NSWA Members, on our 18 years of progress!

In the spirit of celebrating Canada's 150th and our history, the photo shows the North Saskatchewan River in Edmonton circa 1913. Note steamboats in the foreground, construction of the High Level Bridge in the background, and mid-river piers for the future Walterdale Bridge in between (Photo credit: Provincial Archives of Alberta, A-10,320).
